NOTES TO FINANCIAL STATEMENTS

Quarterly Filings
CIGNA Dental Health of Ohio, Inc.

Notes to the Financial Statement.

Note 1 Organization and Operations

CIGNA Dental Health of Ohio, Inc. (Company) is a wholly-owned subsidiary of CIGNA Dental Health, Inc. (Parent), and ultimately of CIGNA Corporation (CIGNA). The Company was incorporated on June 17, 1985 under the laws of the State of Ohio and received a certificate of authority on November 6, 1985, to operate as a Specialized Insuring Corporation from the State of Ohio Department of Insurance. The Company is a dental plan, which provides comprehensive dental health services to subscribers for predetermined prepaid monthly fees. The Company pays monthly fees for dental care services provided to its subscribers by participating dental care providers based generally upon the number of individuals enrolled in the plan. When the subscriber is referred to an outside specialist, the Company pays fees based primarily upon the nature of the specific care provided.

Note 2 Summary of Significant Accounting Policies

- A) Basis of Presentation: These financial statements have been prepared in conformity with accounting practices prescribed or permitted by the State of Ohio Department of Insurance and reflect management's estimates and assumptions that affect the recorded amounts. The National Association of Insurance Commissioners (NAIC) *Accounting Practices and Procedures* manual, version effective January 1, 2001, (NAIC SAP) has been adopted as a component of prescribed or permitted practices by the state of Ohio. These accounting practices vary in certain respects from generally accepted accounting principles followed in determining financial position and results of operations and cash flows. The differences arise from the treatment of certain assets designated as "non-admitted assets" which are charged against accumulated earnings, whereas under generally accepted accounting principles they are considered assets. Non-admitted assets aggregated \$12,293 at June 30, 2002 and consisted primarily of accounts receivable greater than ninety days past due.
- B) Cash and Cash Equivalents: Certificate of Deposits with a maturity of twelve months or less at the time of purchase are reported as cash equivalents. All investments with remaining maturities of one year or less at the time of purchase are reported as short-term investments.
- C) Claims Payable: Claims payable include amounts billed and not paid and an estimate of costs incurred for unbilled services provided as of the balance sheet date.
- D) Premium Revenue: The Company charges monthly fees (premiums) to member groups under contracts entitling subscribers to certain dental care. Premiums are recognized as revenue in the month for which coverage is provided. Premiums received in advance represent that portion of premiums received for which coverage is still due.
- E) Income Taxes: The Company joins its Parent in filing a consolidated United States federal income tax return filed by CIGNA. In accordance with a tax sharing agreement, the provision for federal income taxes is computed as if the Company were filing a separate federal income tax return, except that benefits arising from tax credits and net operating losses are allocated to those subsidiaries producing such attributes only to the extent they have been utilized in the consolidated federal income tax provision.

Deferred federal income taxes and benefits are generally recognized when asset and liabilities have different values for financial statement and tax reporting purposes.

NOTES TO FINANCIAL STATEMENTS

Note 3 Income Taxes

The Company's deferred tax asset balances of \$ 22,293 as of June 30, 2002, result primarily from specialty referral reserves and bad debt reserves and are classified as admitted assets.

The components of incurred income tax expense and the change in deferred tax asset as of June 30, 2002, are as follows:

Current Income Tax Expense	\$ 647,093
Change in Deferred Tax Asset	\$ (7,292)

In 2002 tax expense approximated the amount computed using the nominal federal income tax rate of 35%.
