According to SSAP 43R, loan-backed and structured securities with an unrealized loss position were reviewed according to the pronouncement that became effective on 9/30/09. The best estimate of future cash flows using the appropriate discount rate was calculated for each affected security, with other-than-temporary impairments realized to the extent that present value was less than amortized cost. Securities with a present value greater than amortized cost were not other-than-temporarily impaired.
