Loss & lae reserves as of December 31, 2010 were \$5.852 million. As of March 31, 2011, \$2.215 million has been paid for incurred loss & lae expenses attributable to insured events or prior years. Reserves remaining for prior years are now \$3.832 million as a result of re-estimation of unpaid claims and lae expenses. Therefore, there has been a \$.195 million unfavorable prior year development from 12/31/2010 to 03/31/2011 principally on liability lines of business. \$.115 million of the reserve development was from accident year 2010 and \$.080 was from accident year 2009 and prior. States entered into since 2005 accounted for \$.080 million of the total development due to claim severity projected at the end of the first quarter 2011 being higher than was projected at year-end 2010. In older states, Tennessee accounted for \$.040 million of development because of claims severity. Ohio had \$.048 million of development from higher than average projected case reserves. California had \$.024 million of adverse development from accident year 2010 due to higher than projected physical damage severity. The development is generally the result of an ongoing analysis of recent loss development trends and are increased or decreased as additional information becomes known regarding individual claims. The Company has no retrospectively rated policies that are subject to premium adjustments.
