NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

A. Accounting Practices

The financial statements of Ohio Mutual Insurance Company are presented on the basis of accounting practices prescribed or permitted by the Ohio Department of Insurance (ODI).

The ODI recognizes only statutory accounting practices prescribed or permitted by the State of Ohio for determining and reporting the financial condition and results of operations of an insurance company. The National Association of Insurance Commissioners' (NAIC) *Accounting Practices and Procedures Manual* has been adopted as a component of prescribed or permitted accounting practices by the State of Ohio.

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with the Annual Statement Instructions and the *Accounting Practices and Procedures Manual* requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

C. Accounting Policy

Premiums are earned over the terms of the related insurance policies and reinsurance contracts. Unearned premium reserves are established to cover the unexpired portion of premiums written. Such reserves are computed by pro rata methods for direct business.

Expenses incurred in connection with acquiring new insurance business, including such acquisition costs as sales commissions, are charged to operations as incurred. Expenses incurred are reduced for ceding allowances received or receivable.

In addition, the Company uses the following accounting policies:

- (1) All short-term investments are stated at amortized cost.
- (2) Bonds not backed by other loans are stated at either amortized cost, using the interest method or the lower of amortized cost or fair market value.
- (3) Unaffiliated common stocks are stated at fair market value. Common stocks of uncombined subsidiaries and affiliates in which the company has an interest of 20% or more are carried on the equity basis.
- (4) The Company had no preferred stock at December 31, 2011 or 2010.
- (5) The Company has no mortgage loans on real estate.
- (6) Loan-backed securities are stated at either amortized cost, using the interest method or the lower of amortized cost or fair market value. The retrospective adjustment method is used to value all securities except for interest only securities, EITF 99-20 eligible securities or securities where the yield has become negative are valued using the prospective method.
- (7) The Company's non-insurance subsidiaries are Centurion Financial, Inc., Ohio United Agency, Inc. and United Premium Budget Service Inc.
- (8) The Company has no ownership interest in any significant joint ventures.
- (9) The Company owns no derivative instruments.
- (10) The Company anticipates investment income as a factor in the premium deficiency calculation, in accordance with SSAP No. 53, Property-Casualty Contracts-Premiums.
- (11) Unpaid losses and loss adjustment expenses include an amount determined from individual case estimates and loss reports and an amount, based on past experience, for losses incurred but not reported. Such liabilities are necessarily based on assumptions and estimates and while management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting liabilities are continually reviewed and any adjustments are reflected in the period determined.
- (12) The Company has not modified its capitalization policy from the prior period.
- (13) The Company has no pharmaceutical rebate receivables.

2. Accounting Changes and Corrections of Errors

There were no significant accounting changes or corrections of errors during 2011.

In 2010, the Company had a Prior Year Tax Effect in the amount of (\$269,698) as reflected on Page 4, Line 3701. This was due to an error in the calculation of the 2009 federal income tax incurred and was specifically related to utilizing one incorrect depreciation amount within the tax provision.

NOTES TO FINANCIAL STATEMENTS

3. Business Combinations and Goodwill

On January 1, 2011, Ohio Mutual acquired all outstanding common shares of N.E. Corporation, a Maine stock corporation, in a cash transaction totaling \$8,536,420. N.E. Corporation's only assets are Casco Indemnity Company (Casco) and Casco's home office building located in Saco, Maine. The acquisition of Casco provides Ohio Mutual with a base of operations in New England through which the Group can expand its product offerings throughout the New England states. Casco is licensed in the states of Maine, New Hampshire, Vermont, Connecticut, Rhode Island and South Carolina. In December 2011, NE Corporation was dissolved and the common shares of Casco were moved directly under the ownership of Ohio Mutual. Additionally, the office building in Saco, Maine was transferred directly to Ohio Mutual.

4. Discontinued Operations

The Company has no discontinued operations to report.

5. Investments

- A. The Company has no mortgage loans.
- B. The Company has no debt restructuring.
- C. The Company has no reverse mortgages.
- D. Loan-Backed Securities

(1) Prepayment assumptions for Mortgage-backed securities, Asset-backed securities and Collateralized Mortgage Obligations were generated using a purchased prepayment model. The prepayment model uses a number of factors to estimate prepayment activity including the time of year (seasonality), current levels of interest rates (refinancing incentive), economic activity (including housing turnover) and term and age of the underlying collateral (burnout, seasoning).

(2)

- a. The Company had no securities it intended to sell for which it recognized other-than-temporary impairment losses.
- b. The Company had no securities for which it lacked the ability or intent to retain an investment in for a period of time sufficient to recover the amortized cost basis.

(3) The Company had no other-than-temporary impairments for the year ended December 31, 2011.

(4) All temporarily impaired securities for which an other-than-temporary impairment has not been recognized in earnings as a realized loss in 2011 are as follows:

a. The aggregate amount of unrealized losses:

1. Less than 12 Months	\$	-
2. 12 Months or Longer	\$	-

b. The aggregate related fair value of securities with unrealized losses:

1. Less than 12 Months	\$	-
2. 12 Months or Longer	\$	-

(5) Management regularly reviews the value of the Company's investments. If the value of any investment falls below its cost basis, the decline is analyzed to determine whether it is an other-than-temporary decline in value. To make this determination for each security, the following is considered:

- The length of time and the extent to which the fair value has been below cost;
- The financial condition and near-term prospects of the issuer of the security, including any specific events that may affect its operations or earnings potential;
- Management's intent and ability to hold the security long enough for it to recover its value;

Management concluded that the remaining investments held with unrealized losses were not other-than-temporarily impaired on the basis that the Company had the ability and intent to hold the investments for a period of time sufficient for a forecasted market price recovery up to or beyond the cost of the investment. Also, in management's opinion, evidence indicating the cost of the investment was recoverable within a reasonable period of time outweighed evidence to the contrary in considering the severity and duration of the impairment in relation to the forecasted market price recovery.

E. The Company has no repurchase agreements or securities lending transactions.

NOTES TO FINANCIAL STATEMENTS

22. Events Subsequent

On February 9, 2012, United Ohio borrowed the sum of \$4,500,000 from Ohio Mutual under a short term unsecured promissory note. The proceeds of the loan were used to fund an insurance company owned life insurance (ICOLI) program underwritten by Nationwide Life Insurance Company. The terms of the note call for repayment by June 30, 2012 and includes interest at the rate of 3% per annum.

United Ohio entered into an agreement on February 15, 2012 with Nationwide Life Insurance Company to provide United Ohio with the ICOLI program. United Ohio contributed \$14,159,617 as a single lump sum premium for the life insurance and cash value policy. The cash value of the life insurance policy on the date of being effective represents the \$14,159,617 less certain expenses.

Effective January 1, 2012, the ODI and the Maine Bureau of Insurance adopted SSAP 101, Income Taxes. SSAP 101 replaces SSAP 10(R). Management believes that there is no significant impact to the Group's accounting for taxes due to the adoption of SSAP 101.

The following table provides a reconciliation of the beginning and ending reserve balances for losses and loss adjustment expenses, net of reinsurance recoverables, for 2011 and 2010:

	<u>2011</u>	<u>2010</u>
	<i>(In Thousands)</i>

Total paid	<u>\$ 33,303</u>	<u>\$ 23,468</u>
Balance as of December 31, net of reinsurance	<u><u>\$ 21,481</u></u>	<u><u>\$ 17,776</u></u>

The Company's liabilities for unpaid losses and loss adjustment expenses, net of related reinsurance recoverables, at December 31, 2010 and 2009, were decreased in the subsequent by \$3,212,000 and \$3,127,000, respectively. The favorable development experienced in 2011 for years 2010 and prior is due to favorable development within the Company's auto liability, homeowners and farmowners lines of business and was primarily within the accident years of 2009 and 2010. The favorable development in 2010 for years 2009 and prior were primarily due to an unusually low development on homeowners, farmowners, and personal auto liability losses for the accident year 2009. Initial loss estimates for these years developed better than expected for these lines of business. Reserves previously established for these lines and years were reduced in the current year.

Because of the nature of the business written over the years, management believes that the Company has limited exposure to environmental claim liabilities.

26. Intercompany Pooling Arrangements

Effective January 1, 2011, the Company amended its Intercompany Pooling Agreement with United Ohio Insurance Company (wholly owned subsidiary) to include Casco Indemnity Company. Through the Pooling Agreement, the Company retains 27% of the group's pooled underwriting results and cedes 67% to United Ohio and 8% to Casco. The 8% cession to Casco is ceded on a funds withheld basis so that the Company may record reserve credit for the reinsurance, as Casco is not yet authorized in the state of Ohio, the Company's state of domicile. Casco's license application is currently in process at the Ohio Department of Insurance.

During 2010, the Company had an intercompany pooling agreement in effect with United Ohio that provided 25% of the pool to be retained by Ohio Mutual and 75% of the pool to be ceded to United Ohio. The following underwriting results were assumed/ceded between the companies:
