NOTES TO THE FINANCIAL STATEMENTS

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: Effective January 1, 2000, the Greater Ohio Employee Health and Welfare Fund and its Trust ("GOHIO") changed its accounting methodology from generally accepted accounting principles to the statutory accounting principles of the National Association of Insurance Commissioners ("NAIC") as set forth in NAIC's *Accounting Practices and Procedures Manual* (SSAPs) or The Ohio Department of Insurance when its guidelines differ from SSAPs as the basis for its financial statements.

Premiums: Revenues from participating employers are recorded when premium billings are due. Premiums for purchased coverages are recorded monthly when the claim expense is incurred. If an installment premium is more than 90 days past due, the amount more than 90 days due plus all future installments are treated as a nonadmitted asset. At March 31, 2012 and December 31, 2011, there were no nonadmitted uncollected installment premiums.

Estimates: The preparation of financial statements in conformity with the statutory accounting principles of the National Association of Insurance Commissioners requires GOHIO's Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments:

Bonds: At acquisition, bonds are recorded at their cost, including brokerage and other related fees, which cannot exceed market value. Amortization of bond premium or discount is by the scientific (constant yield) interest method over the life of the issue. The Bonds are reported at amortized cost, unless it has a NAIC designation of 6, then it is carried at the lower of amortized cost or market.

Common Stocks: At acquisition, common stocks are recorded at their cost, including brokerage and other related fees, which cannot exceed market value. Investments in common stock are valued and recorded in accordance with NAIC *Purposes and Procedures of the Securities Valuation Office (SVO)*. "Procedures for Valuing Common Stocks and Stock Warrants." In those instances where a unit price is not available from the SVO, management determines fair value based on analytical or other pricing mechanisms. All common stock owned by the Fund at March 31, 2012 and December 31, 2011 is publicly traded and there are no restrictions related to these investments. The dollar amount of nonadmitted common stocks under Ohio Department of Insurance guidelines was \$0 and \$0 March 31, 2012 and December 31, 2011, respectively.

Guaranteed Investment Contracts: At acquisition, GICs are recorded at their cost, including brokerage and other related fees, which cannot exceed market value. GICs are reported in the financial statements at the net cash surrender value if it has an NAIC designation of 1 or 2, if it has an NAIC designation of 3 or lower, then it is treated as a nonadmitted asset.

Variable Annuities: Variable annuities consist of equity-index annuities. At acquisition, the annuities are recorded at their cost, including brokerage and other related fees, which cannot exceed market value. The variable annuities consist of publically traded mutual funds and are valued daily and include income, gains or losses (whether or not realized) and fees.

Fixed Annuities: At acquisition, fixed annuities are recorded at their cost, including brokerage and other related fees, which cannot exceed market value. The fixed annuities consist of publically traded mutual funds and are valued monthly and include interest, which is credited at specified rates over the initial period of the agreement, and fees. The annuities are single premium annuity contracts and provide for a minimum interest rate, ranging from 1% to 3%.

Indexed Annuities: At acquisition, indexed annuities are recorded at their cost, including brokerage and other related fees, which cannot exceed market value. The indexed annuities consist of publically traded mutual funds and are indexed based on either the S&P 500 index or on the one year point to point index. Guarantees are backed by the claims paying ability of the issuer. For the quarters ended March 31, 2012 and December 31, 2011, indexed annuities, which are not in annuitization status, are valued at fair value net of surrender charges.

Short-Term Investments: Other than bonds, all investments with remaining maturities of one year or less are considered short-term investments. Short-term investments are accounted for in the same manner as similar long term investments. Money market fund investments are reported in accordance with the guidance of the NAIC *Purposes and Procedures of the Security Valuation Office*.

STATEMENT AS OF MARCH 31, 2012 OF THE GREATER OHIO HEALTH AND WELFARE FUND

NOTES TO THE FINANCIAL STATEMENTS

Receivables: GOHIO has receivables for interest income from debt securities, unpaid premiums, stop loss coverage claim reimbursements, etc. The receivables are recorded at the expected future net cash amounts expected to be received.

Unassigned Funds (Surplus): This represents the undistributed and unappropriated amounts of surplus at March 31, 2012 and December 31, 2011. GOHIO does not make distributions from surplus, consequently, the entire surplus is available for the payment of future benefit claims and loss adjustment expenses. The Surplus has been reduced by \$2,256 and \$10,290 at March 31, 2012 and December 31, 2011 for nonadmitted assets.

Prepaid Expenses: GOHIO pays certain prepaid expenses (e.g., trustees' errors and omissions insurance) that are recorded as an asset and amortized over the life of the policy. Under NAIC statutory accounting principles, these are considered nonadmitted assets. The dollar amount of prepaid expenses that were not admitted at March 31, 2012 and December 31, 2011 was \$2,256 and \$0, respectively.

Accrued Expenses: General and administrative expenses are accrued when the liability has been incurred and the amount can be reasonably estimated. In addition, as of the balance sheet date GOHIO accrues all known probable future liabilities.

Premiums Received in Advance: A liability is recorded for installment premiums related to a future period when the money is received prior to the date of the statutory financial statements.

Leases: GOHIO does not have any leases, consequently, it does not have any rental expense or liability for contingent lease payments.

Post Retirement Benefits: GOHIO does not pay post retirement benefits, consequently, there is no actuarial estimated future value of vested benefits.

Claim Expenses: Claim, losses and loss/claim adjustment expenses are recognized as expense when a covered or insured event occurs. Claim expenses include claims incurred and paid during the current period less any reinsurance claims received. The claims reported and outstanding at the end of GOHIO's year and the provision for claims incurred but not reported, is reflected in the additions to liabilities for claims expenses. Loss/claim adjustment expenses are estimated and accrued when the claim is incurred.

NOTE B – NATURE OF OPERATIONS

The following description of GOHIO provides only a summary of general information relating to its Plan and operations. Participants should refer to Plan documents or the Summary Plan Description for a complete description of Plan provisions.

General: GOHIO is a multiple employer welfare plan. GOHIO is administered by Plan Administrator, Malcolm J. Costa. Claims are paid by the Third Party Administrator ("Klais & Company") in accordance with the provisions of Plan Documents. GOHIO covered the employees of participating community action agencies of which there were two: Akron Summit Community Action Inc. ("ASCA") and Mahoning Youngstown Community Action Partnership ("MYCAP").

The Greater Ohio Health and Welfare Benefit Fund's Plan is self funded. All premiums are paid to and all benefits are paid from a trust which is related to GOHIO. The trustees of the trust are responsible for determining the level of funding and the type and nature of benefits offered. The trustees also determine policy and procedures with respect to the operation of the trust and the associated Plan. The trustees are Malcolm Costa and David Waggoner. GOHIO is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The date of plan inception was March 1, 1983.

Benefits: GOHIO provides hospitalization, medical, surgical, vision, dental, weekly indemnity and prescription drug coverage for all eligible participants according to the Plan. Generally an employee becomes eligible to participate on the first day of the month following the sixtieth day of continuous employment. Generally, all premiums are paid by the employer agencies. However, employee contributions may be required by the employers. In addition, GOHIO

NOTES TO THE FINANCIAL STATEMENTS

purchases life insurance, accidental death and dismemberment from the Hartford Life Insurance Company. GOHIO's Administrator has the discretion to interpret the Plan, including those provisions relating to eligibility and benefit determination, and such interpretations are final and binding.

Administration: The Plan Administrator is Mr. Malcolm Costa, Executive Director of Akron Summit Community Action, Inc. an employer participating in GOHIO. Benefit claims are processed and benefit payments are made by a third party administrator pursuant to Plan documents. Administrative and claim processing fees were paid to Klais & Company during the quarters ended March 31, 2012 and December 31, 2011.

Premiums: GOHIO is funded by premiums from the employers and in some cases for specific benefits, by the employees. Premiums are based on rates established by the Trustees pursuant to recommendations by GOHIO's actuary. Premiums are determined in aggregate. However, adjustments based upon each employer claims experience may be made.

Other: On February 8, 2012, the trustees signed an amendment to terminate the Plan effective December 31, 2011 ("termination date") outlining the plan of termination including payment of all claims, compliance responsibilities and transfer of remaining assets to the respective VEBAs established. As a result, ASCA's and MYCAP's participation in the Plan terminated as of December 31, 2011. The Plan and MEWA Trust shall remain open until at least December 31, 2012 to process and pay any and all run out claims. The Plan will remain a certified MEWA with the Ohio Department of Insurance in accordance with Ohio Revised Code Chapter 1739 until all assets have been distributed from the Trust. ASCA and MYCAP have agreed that the Trust shall only pay ASCA and MYCAP claims incurred on or before the termination date. No contributions will be accepted by the Trust for any period after the termination date, unless for the sole purpose of paying for a shortfall of outstanding claims. According to the terms of the amendment, ASCA may make a contribution to the Trust for the sole purpose of providing benefits for ASCA employees for January 2012. This contribution was made during the quarter ended March 31, 2012 and transferred to the ASCA VEBA by February 15, 2012.

NOTE C – TAX STATUS

The Trust which is associated with GOHIO is not tax exempt and has not applied for an exemption from income taxes. At the request of the Trustees, Legal Counsel for GOHIO has opined that the trust is a grantor trust. The opinion generally states that the accounting method utilized by the trust in computing taxable income is pursuant to the applicable law of the State of Ohio and accordingly will, more likely than not be valid for Federal taxable income. Further the Legal Counsel has opined that due to the likely classification of the Trust as a grantor type trust, and the fact that the Sponsors' organizations are tax exempt, any inclusion of income in the return of the Sponsors' organizations required under the grantor trust rules of the Internal Revenue Code will have minimal adverse consequences.

NOTE D – MULTIPLE EMPLOYER WELFARE ARRANGEMENT

GOHIO is classified as a multiple employer welfare arrangement ("MEWA") under the applicable provisions of the Employees Retirement Income Security Act of 1974 ("ERISA") and applicable State laws of Ohio. The Plan is licensed to operate in Ohio pursuant to Section 1739 of the Ohio Revised Code.

NOTE E – CASH AND CASH EQUIVALENTS

GOHIO maintains its cash accounts with banks, which at times may exceed federally insured limits. GOHIO has not experienced any losses in such accounts. Management of the Agency believes it is not exposed to any significant credit risk on its cash. Cash and cash reserve balances on deposit with major banks are insured by the Federal Deposit Insurance Corporation up to \$250,000.

NOTES TO THE FINANCIAL STATEMENTS

NOTE F – CONCENTRATION OF CREDIT RISK

GOHIO's entire bond and debt obligation is invested in Guaranteed Investment Contracts and mutual funds as of March 31, 2012. These investments represent 89% of GOHIO's total assets as of that date. All of this investment is treated as admitted because it does not exceed the limits included in the Ohio Revised Code.

NOTE G – LOSS/CLAIM ADJUSTMENT EXPENSE

The reserve for claim adjustment expenses attributable to settlement expenses was \$1,502 and \$22,000 as of March 31, 2012 and December 31, 2011, respectively.

NOTE H – CHANGE IN INCURRED LOSSES AND LOSS ADJUSTMENT EXPENSES

GOHIO's estimated claims incurred but not reported (IBNR) and loss/claims adjustment expenses are for obligations at December 31, 2011 and 2010 for health claims incurred by active participants but not reported at that date are estimated by GOHIO's actuary in accordance with accepted actuarial principles using appropriate valuation methods, interest rates, mortality and morbidity rates. Such estimated amounts are reported in the accompanying statements at net present value. Original estimates are increased or decreased, as additional information known regarding individual claims.

NOTE I – RISKS AND UNCERTAINTIES

MYCAP has been notified of certain findings by US governmental agencies. MYCAP is actively working with the agencies and its agents as well as others to mitigate these findings.
