

AMENDED EXPLANATION COVER

It has come to our attention that within the statutory annual statement for Ohio Farmers Insurance Company and its Affiliated Property and Casualty Insurers we have improperly classified a component of unassigned surplus, "Excess of additional pension liability over unrecognized PSC", into the line "Aggregate write-ins for special surplus funds". SSAP 89 stipulates that this segregation on the balance sheet is unnecessary and the amount should be included as unassigned surplus. We have reclassified this component as such in this amended filing.

The appropriate reporting treatment was applied on the Statement of Income as originally filed.

This reclassification does not impact "Surplus as regard policyholders" (Line 37), any other annual statement pages, nor does it impact RBC or any of the IRS ratios. Furthermore, Ohio Farmers Insurance Company (24104) is the only member of the group that is impacted.
