

While preparation of the statutory financial statements includes many estimates made by management, the most significant is the liability for losses and loss adjustment expense reserves. As a result of the audit procedures performed on losses and loss adjustment expense reserves, an audit adjustment was proposed and recorded to reduce reserves by \$821,291 at December 31, 2012. A related adjustment was also recorded for the tax effect of the reduction in reserves. The reconciliation below details the differences between the originally filed statutory financial statements and the amended statutory statements as of December 31, 2012 and March 31, 2013.
