## NOTES TO FINANCIAL STATEMENTS

### 1. Summary of Significant Accounting Policies

#### A. Accounting Practices

The financial statements of Hometown Health Plan (the Plan) have been prepared in conformity with the accounting practices prescribed or permitted by the Ohio Department of Insurance. The statements have been completed in accordance with the National Association of Insurance Commissioners' (NAIC) *Accounting Practices and Procedures* manual except to the extent that state law differs.

#### B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with the Annual Statement Instructions and *Accounting Practices and Procedures* manual requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the period. Actual results may differ from those estimates.

#### C. Accounting Policy

The Plan's statutory-basis financial statements are prepared in accordance with accounting practices prescribed or permitted by the Ohio Department of Insurance. The Ohio Department of Insurance recognizes only statutory accounting practices prescribed or permitted by the state of Ohio for determining and reporting the financial condition and results of operations of an insurance company, for determining its solvency under the Ohio Insurance Law. The National Association of Insurance Commissioners' Accounting Practices and Procedures manual has been adopted as a component of prescribed or permitted practices by the state of Ohio. The Commissioner of Insurance has the right to permit specific practices that deviate from prescribed practices. Such practices vary from accounting principles generally accepted in the United States (GAAP). The more significant variances from GAAP as to these statements are as follows:

**Nonadmitted Assets**-Certain assets designated as "nonadmitted", principally accounts receivable greater than ninety days old, prepaid expenses and other assets not specifically identified as an admitted asset within the Accounting Practices and Procedures Manual, are excluded from the accompanying balance sheets and are charged directly to unassigned surplus. Under GAAP, such assets are included in the balance sheet.

**Statements of Cash Flows**-Cash and short term investments in the statements of cash flows represent cash balances and investments with initial maturities of one year or less. Under GAAP, the corresponding caption of cash and cash equivalents includes cash balances and investments with initial maturities of three months or less.

**Equity securities** are recorded at market value as determined by the Securities Valuation Office of the NAIC and the related unrealized capital gains or losses are reported in unassigned surplus.

**Realized capital gains and losses** are determined on the first-in, first-out cost method. Changes in admitted asset carrying amounts of bonds and equity securities are credited or charged directly to unassigned surplus.

**Premiums**-Premiums are earned pro rata over the terms of the policies. The reserve for unearned premiums is determined on a monthly pro rata basis.

**Reclassification**-Certain prior year amounts have been reclassified to conform to current year presentation.

In addition, the company uses the following accounting policies:

- (1) Short-term investments are stated at market value as determined by the Securities Valuation Office of the NAIC.
- (2) Investments in bonds are reported at amortized cost based on their National Association of

## NOTES TO FINANCIAL STATEMENTS

Insurance Commissioners (NAIC) rating; for GAAP such fixed maturity investments would be designated as available-for-sale investments and would be reported at fair value with unrealized holding gains and losses reported as a separate component of capital and surplus. The cost is adjusted for amortization of premiums and discounts using the straight-line method.

(3) Common stocks are stated at market value as determined by the Securities Valuation Office of the NAIC.

(4) Preferred stocks are stated at market value as determined by the Securities Valuation Office of the NAIC.

(5) The Plan has no mortgage loans.

(6) All single class and multi-class mortgage-backed/asset-backed securities (e.g., CMOs) are adjusted for the effects of changes in prepayment assumptions on the related accretion of discount or amortization of premium of such securities using either the retrospective or prospective methods. If it is determined that a decline in fair value is other than temporary, the cost basis of the security is written down to the undiscounted estimated future cash flows.

(7) The Plan holds no investments with respect to any subsidiaries controlled or affiliated companies.

(8) The Plan has no ownership interests in joint ventures, partnerships or limited liability companies.

(9) The Plan has no derivatives.

(10 & 11) Health claims payable represents management's best estimate of ultimate net cost of all reported and unreported claims incurred and unpaid at December 31, 2009. The method for estimating health claims payable is based on a review of historical claim payment patterns and claim trends. Those estimates are subject to the effects of trends in claim severity and frequency. Although considerable variability is inherent in such estimates, management believes that the amounts reported for health claims payable are adequate. The estimates are continually reviewed and adjusted as necessary as experience develops or new information becomes known; such adjustments are included in current operations.

### 2. Accounting Changes and Corrections of Errors

A. There were no material changes in accounting principles and/or correction of errors.

B. Illustrative Disclosure for Insurers Upon Initial Implementation of Codification:

(1) The Plan prepares its statutory financial statements in conformity with accounting practices prescribed or permitted by the State of Ohio. Effective January 1, 2001, the State of Ohio required that insurance companies domiciled in the State of Ohio prepare their statutory basis financial statements in accordance with the NAIC Accounting Practices and Procedures Manual subject to any deviations prescribed or permitted by the State of Ohio insurance commissioner. Accounting changes adopted to conform to the provisions of the NAIC Accounting Practices and Procedures Manual are reported as changes in accounting principles. The cumulative effect of changes in accounting principles is reported as an adjustment to unassigned surplus in the period of the change in accounting principle. The cumulative effect is the difference between the amount of capital and surplus at the beginning of the year and the amount of capital and surplus that would have been reported at that date if the new accounting principles had been applied retroactively for all prior periods.

(2) As a result of these changes, the Plan reported a change of accounting principle, as an adjustment that decreased capital and surplus, of \$892,885 as of January 1, 2001.

### 3. Business Combinations and Goodwill

Effective July 1, 2003, HomeTown was acquired by The Health Plan of the Upper Ohio Valley, Inc. ("THPUOV") in exchange for \$9,402,691 in cash and \$10,926,559 in liabilities existing as of that date. The excess of purchase price over the fair value of net assets acquired approximated \$578,075 and has been recorded as goodwill on the balance sheet of THPUOV. HomeTown has not recognized any change in the basis of its assets and liabilities as a result of this purchase transaction.

## NOTES TO FINANCIAL STATEMENTS

### 4. Discontinued Operations

Effective April 1, 2006, all members of HomeTown Health Plan were transferred to THPUOV which included membership in HomeTown's HMO and Medicare Advantage plans. Benefits for the insured members remained the same under THPUOV. In addition, HomeTown discontinued writing new policies as of March 31, 2006.
