DESCRIPTION OF PLAN

Nature of Operations: The Cleveland Automobile Dealers' Group Health Plan (the Plan) provides and maintains a program of group insurance for the benefit of members of the Greater Cleveland Automobile Dealers' Association. The Plan, as amended and restated by the Board of Trustees was adopted effective June 1, 1990. GCADA is the plan's sponsor.

Premiums: Contributions to the Trust are made by members of the Association in accordance with rates established for the insurance coverage provided.

Health Insurance Benefits: Group health insurance benefits are provided by direct payments of claims per agreements with Medical Mutual of Ohio.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying statutory financial statements have been prepared in conformity with accounting practices prescribed or permitted by the State of Ohio Department of Insurance. Prescribed statutory accounting practices include state laws, regulations and general administrative rules, as well as a variety of publications of the National Association of Insurance Commissioners (NAIC). Permitted statutory accounting practices encompass all accounting practices that are not prescribed; such practices may differ from state to state, may differ from company to company within a state and may change in the future. Statutory accounting practices used by the Plan vary from accounting principles generally accepted in the United States of America as follows:

Reinsurance: Reserves for losses and loss adjustment expenses and unearned premiums are reported net of reinsured amounts.

For the purpose of the annual and quarterly statements, the following policies have been treated as reinsurance.

- Specific and aggregate stop loss
- Fully-insured, no-risk life insurance

Reported premium income is generally net of reinsurance – it has been reduced by the cost of ceded reinsurance (the cost of stop loss premium and life insurance premium). Likewise, incurred claims and the reserve for incurred but unpaid claims do not include the cost of ceded reinsurance. Premium is reported gross of reinsurance on Exhibit of Premiums and Enrollment and Schedule T.

Vision premium and claims are included with dental.

Nonadmitted Assets: Certain assets designated as "nonadmitted," including furniture and fixtures, automobiles and equipment, unrealized gain and loss on investments and intangible assets related to costs of insurance licenses, prepaid assets and deferred expenses, are excluded from the statements of admitted assets, liabilities and surplus statutory basis and are charged directly to unassigned surplus.

Statements of Cash Flows - Statutory Basis: The Plan reports cash flows in accordance with NAIC guidelines.

Valuation of Bonds and Mutual Funds: Bonds and mutual funds are valued in accordance with the laws of the State of Ohio or the valuations prescribed by the Committee on Valuation of Securities of the NAIC. Generally, bonds are stated at amortized cost and stocks (mutual funds) are valued based on market quotations.

Losses Payable: A liability for losses is provided based on: (1) case basis estimates for losses reported, (2) estimates of unreported losses based on past experience, (3) information received relating to assumed reinsurance, and (4) deduction of amounts for reinsurance placed with reinsurers.

Loss Adjustment Expenses Payable: A liability for loss adjustment expenses payable is provided by estimating future expenses to be incurred in settlement of the claims provided for in the liability for losses.

Recognition of Premium Revenues: Premiums are billed monthly. Revenue is recognized in the month billed.

Bonds: Includes all bonds with maturity dates, when purchased, greater than one year.

Short-term Investments: Includes all bonds with maturity dates, when purchased, of one year or less.

Cash Equivalents: Highly liquid, short-term investments with maturities of three months or less from acquisition date are considered cash equivalents. As of the statement date, there were no cash equivalents.

The preparation of financial statements in conformity with the statutory basis of accounting for insurance companies requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements

STATEMENT AS OF MARCH 31, 2014 OF THE Cleveland Automobile Dealers Association Group Health Plan

and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates. Liability for incurred but unpaid claims is a significant estimate that could change in the near term.
