The Equity Participation Plan for key employees is a discretionary plan that rewards key employees with long term service to the Company. The employee's share of the compensation vests over a ten year period, and is payable upon normal retirement, which is usually age 65. In the event that an employee terminates employment, either voluntarily or non-voluntarily, before age 65, the employee shall not be entitled to any payments at the time of termination, and forfeits his/her right to any future benefits under the plan.

Profit-sharing contributions are determined by the Board of Directors and there was no contribution for the year ending December 31, 2013.
