NOTES TO FINANCIAL STATEMENTS

Note 1 – Summary of Significant Accounting Policies

A. Basis of Presentation

The financial statements of Premier Health Insurance Corporation (the Company) are presented on the basis of accounting practices prescribed or permitted by the National Association of Insurance Commissioners (NAIC) and the Ohio Department of Insurance (ODI). ODI recognizes statutory accounting practices prescribed or permitted by the State of Ohio for determining and reporting the financial condition and results of operations of an insurance company, for determining its solvency under the Ohio Insurance Law. The Accounting Practices and Procedures Manual (NAIC SAP) was adopted as a component of prescribed or permitted practices by the state of Ohio.

The Company is wholly-owned subsidiary of Premier Health Partners (Parent), a not-for-profit corporation, which was established to operate and jointly manage various hospital systems, Premier Health Group LLC (PHG), the Company and other affiliated healthcare related companies. PHG is a healthcare provider network organization established as a provider credentialing, utilization management, network contracting and risk bearing entity with affiliated and other unaffiliated health plan organizations. PHG provides network contracting, physician incentive programs and other health plan operations services to the Company and its subsidiary Premier Health Plan, Inc. (PHPLAN).

The Company is a “not for profit” organization incorporated on January 30, 2014 under the provisions of chapter 1701 of the Ohio Revised Code. Its insurance license was granted by ODI on April 22, 2014. However, the Company is a taxable entity for federal income tax purposes. During the remainder 2014, the Company established it’s financial, technology and operational infrastructure and began marketing Medicare Advantage benefit plans to qualified individuals in Montgomery County, Ohio and its contiguous eight counties (Company’s “service area”). The Company began covering health benefits under policies issued effective January 1, 2015 under contract with the Center for Medicare & Medicaid Services (“CMS”).

Accordingly, many of the items below will be listed as “None” or “Not Applicable” for the year ending December 31, 2014, although many will become applicable in future periods after December 31, 2014.

At December 31, 2014, the reconciliation of the reported net income and total surplus determined under NAIC Statutory Accounting Principles and total surplus determined in accordance with practices permitted by Ohio insurance law is as follows:

Line #	Line Description	State of Domicile	Current Year	Prior Year

01A01	Company state basis (Page 4, Line 32, Columns 2 & 3)	Ohio	-3,173,101.88	0.00

B. Use of Estimates

The preparation of statutory financial statements requires management to make estimates and assumptions that affect the reported amount of admitted assets and liabilities as well as the reported amounts of revenues and expenses for the reporting period of the Annual Statement. Accordingly, actual results reported in the accompanying statutory financial statements may differ materially from those estimates.

C. Accounting Policies

NOTES TO FINANCIAL STATEMENTS

Short term investments and cash equivalents are stated at amortized cost. The Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash & cash equivalents. The Company considers all highly liquid debt instruments with a maturity of one year or less but greater than three months to be short term investments.

Unpaid Claims and Claims Loss Adjustment Liability – Effective January 1, 2015, unpaid policy claims liabilities will be based on reported claims and on estimates for unreported claims. Such liabilities will be based on assumptions and actuarial estimates. While management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided based on computations described in this paragraph. The methods for making such estimates and for establishing the resulting liability will be continually reviewed and any adjustments are reflected in the period determined. The Company will compute its claims loss adjustments expense liability based on a historical estimated cost as percent of the amount of unpaid claims.

Non-admitted Assets - Assets included in the statutory balance sheet are at admitted asset value in accordance with NAIC Accounting Practices and Procedures Manual. Such assets not defined as admitted assets are considered "non-admitted assets" such as principally deferred tax assets in excess of certain amounts, receivable or agents' balances over 90-days past due, computer software, other equipment, investments in unaudited subsidiaries, intangibles assets and investments in excess of 10% of admitted assets are excluded through a charge against capital and surplus.

Premiums – Effective January 1, 2015, premium earned from policyholders will be recorded [net of amounts assumed & ceded under reinsurance treaties, if any], pro rata over the policy period for which coverage is provided. Premiums collected prior to the coverage period are reported as "premiums received in advance".
