## NOTES TO FINANCIAL STATEMENTS

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GOING CONCERN

#### A. Accounting Practices

The financial statements of Farmers Insurance of Columbus, Inc. ("the Company") are presented on the basis of accounting practices prescribed or permitted by the Insurance Department of the state of Ohio ("DOI").

The Company recognizes only statutory accounting practices prescribed or permitted by the state of Ohio (the "State") for determining and reporting the financial condition and results of operations of an insurance company, and for determining its solvency under the Ohio Insurance Law. The National Association of Insurance Commissioners ("NAIC") Accounting Practices and Procedures Manual (the "Codification"), version effective January 1, 2001 and subsequently amended ("NAIC SAP") has been adopted as a component of prescribed or permitted practices by the State. The Commissioner of Insurance has the right to permit other specific practices that deviate from prescribed practices. The Company did not utilize any permitted practices during the years presented.

A reconciliation of the Company's net income and surplus between NAIC SAP and practices prescribed by the State of Ohio for year-to-date December 31, 2015 and the year ended December 31, 2014 is shown below:

#### B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with statutory accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### C. Accounting Policy

Premiums are earned pro rata over the terms of the related insurance policies and reinsurance contracts. Unearned premium reserves are established to cover the unexpired portion of premiums written. Ceded unearned premium reserves under the All Lines reinsurance agreements (see Note 21C) are calculated based on a quota share percentage of the underlying pro-rata direct unearned premium reserves.

Expenses incurred in connection with acquiring new insurance business, including such acquisition costs as sales commissions, are charged to operations as incurred.

In addition, the Company uses the following accounting policies:

- (1) Short-term investments include all investments whose maturities, at the time of acquisition, are greater than three months and less than one year and are stated at amortized cost, which approximates fair value.
- (2-4) Bonds not backed by other loans are generally carried at amortized cost or the lower of amortized cost or fair value depending on their NAIC designation. Bond premium or discount is amortized using the interest method.

Unaffiliated common stocks are carried at NAIC market value. The change in the stated value is recorded as a change in net unrealized capital gains or losses, a component of unassigned funds.

## NOTES TO FINANCIAL STATEMENTS

Redeemable preferred stocks are carried at amortized cost or at the lower of amortized cost or fair value, depending on their NAIC designation. Redeemable preferred stock premium or discount is amortized using the interest method. Non-redeemable preferred stocks are carried at market value or the lower of cost or fair value based on their NAIC designation.

The Company recognizes other-than-temporary impairment losses on investments when the decline in fair value specific to an issuer's fundamental credit difficulties, or a non-interest related decline, is deemed to be other than temporary. There are a number of assumptions and estimates inherent in evaluating impairments specific to an issuer's fundamental credit difficulties, or non-interest related decline, and determining if they are other than temporary, including: 1) The Company's ability and intent to retain the investment for a period of time sufficient to allow for an anticipated recovery in value; 2) the recoverability of principal and interest; 3) the length of time and extent to which the fair value has been less than amortized cost for bonds or cost for unaffiliated common and preferred stocks; 4) the financial condition, near-term and long-term prospects of the issue or issuer, including relevant industry conditions and trends, and implications of rating agency actions and offering prices; and 5) the specific reasons that a security is in a significant unrealized loss position, including market conditions which could affect access to liquidity. Interest rate related impairments are deemed other than temporary when the Company has the intent to sell an investment, at the reporting date, before recovery of the cost of the investment.

- (5) The Company has no mortgage loans.
- (6) Mortgage-backed bonds and structured securities are stated at either amortized cost or the lower of amortized cost or market value. Premiums and discounts on mortgage-backed securities and structured securities are amortized using the retrospective method, except for interest-only mortgage-backed securities, which are amortized using the prospective method.

Loan-backed securities with evidence of deterioration of credit quality for which it is probable that the company will be unable to collect all contractually required payments receivable, are written down to the present value of expected cash flows to be received.

- (7) The Company has no investments in subsidiaries, controlled, and affiliated ("SCA") companies.
- (8) The Company has no ownership interest in joint ventures, partnerships or limited liability companies.
- (9) The Company has no investments in derivative instruments.
- (10) The Company utilizes anticipated investment income in the calculation of premium deficiency reserves, in accordance with SSAP No. 53, Property-Casualty Contracts - Premiums. The Company evaluates the need for a premium deficiency reserve on a line of business level for all books. At December 31, 2015 and 2014, the Company had not established any premium deficiency reserves based on this calculation.
- (11) Reserves for losses and loss adjustment expenses include an amount determined from individual case estimates and loss reports and an amount, based on past experience, for losses incurred but not reported ("IBNR"). Such liabilities are necessarily based on assumptions and estimates and while management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting reserves are continually reviewed and any adjustments are reflected in the period determined.
- (12) The Company has not modified its capitalization policy from the prior period.
- (13) Not applicable as the Company does not write any medical insurance with prescription drug coverage.

### D. Going Concern

Not applicable. This disclosure will be effective with the December 31, 2016 reporting as required.

### 2. ACCOUNTING CHANGES AND CORRECTION OF ERRORS

On December 12, 2014, the NAIC adopted substantive revisions to SSAP 40R, "Real Estate Investments". This revision establishes guidance for the reporting of all single property real estate that is wholly owned (100%) by a single reporting entity in an LLC as a Schedule A item in the financial statements, if certain specific criteria are met. Under the revised guidance, a single real estate property investment that is wholly-owned by a limited liability company ("LLC") that is directly and wholly owned by the reporting entity is to be captured as a real estate investment and reported on Schedule A – Real Estate. Prior to this revision, such single property real estate investments are required to be reported in Schedule BA per SSAP No. 48—Joint Ventures, Partnerships and Limited Liability Companies. All Real Estate owned through an LLC not meeting the criteria stated in this revision shall continue to be reported on Schedule BA – Other Long-Term Invested Assets. The revision is effective on January, 1 2015 and the impact of the adoption is reflected in the Company's statutory financial statements.

## NOTES TO FINANCIAL STATEMENTS

On December 15, 2013, the NAIC issued SSAP No. 105, "Working Capital Finance Investments" with an effective date of January 1, 2014. This statement establishes statutory accounting principles for working capital financial investments held by reporting entities. This statement amends SSAP No. 20 "Non Admitted Assets" to allow working capital finance investments as admitted assets to the extent they conform to the requirements of this statement and its adoption did not have any material impact on the Company's statutory financial statements.

### F. Multi-employer Plans

### G. Consolidated/Holding Company Plans

#### Pension Plan

FIE and certain of the Farmers P&C Companies participate in two non-contributory retirement plans (the “Regular Plan” and the “Restoration Plan”) sponsored by Farmers Group, Inc. (“FGI”). The Regular Plan covers substantially all employees of the Farmers P&C Companies and FGI and its subsidiaries who have reached age 21 and have rendered one year of service. Benefits are based on years of service and the employee’s compensation during the last five years of employment. The Restoration Plan provides supplemental retirement benefits for certain key employees of the Farmers P&C Companies and FGI and its subsidiaries. Information regarding the Regular and Restoration Plans’ funded status is not developed separately. FIE has no legal obligation for benefits under this plan.

For the 2014-2015 and 2013-2014 plan years, the minimum required contribution did not exceed the full funding limitation under the Internal Revenue Code. As a result, as of year-to-date December 31, 2015, the Farmers P&C Companies, FGI and its subsidiaries made total contributions to the Plans of \$225.0 million, of which \$110.6 million came from the Farmers P&C Companies. The Company’s share of the Farmers P&C Companies’ contributions was \$1.1 million in 2015. In 2014, the Farmers P&C Companies, FGI and its subsidiaries made total contributions to the Plans of \$225.0 million, of which \$107.3 million came from the Farmers P&C Companies. The Company’s share of the Farmers P&C Companies’ contributions was \$1.1 million in 2014.

Effective January 1, 2009, FIE and certain of the Farmers P&C Companies began participating in a third non-contributory retirement plan (“Cash Balance Program”) also sponsored by FGI. The Cash Balance Program covers new hires, effective January 1, 2009, and all employees who are not grandfathered under the Regular Plan as of December 31, 2008. Vested employees who are age 40 and over or who have 10 or more years of service as of December 31, 2008 are grandfathered in the Regular Plan. Under the Cash Balance Program, FGI and the Farmers P&C Companies will make regular contributions based on a percentage of base pay. The contributions vary based on age and length of service. In addition, the Cash Balance Program has a minimum annual return of 5.0%. Employees, who are vested under the Regular Plan as of December 31, 2008, under the age of 40 and have fewer than 10 years of service, will receive transitional contributions to maximize the benefit under the Cash Balance Program.

#### Short Term Incentive Program

Effective January 1, 2009, FIE and certain of the Farmers P&C Companies, participate in a new Short Term Incentive Program (“STIP”) and a 401(k) Savings Plan sponsored by FGI. These two plans replaced the previous Farmers P&C Companies’ Deferred Profit Sharing and Cash Profit Sharing plans that were discontinued effective January 1, 2009. The STIP is a performance-based plan that provides employees an annual incentive pay based on the achievement of certain Farmers P&C Companies’ goals and individual employee performance. The Company’s share of expense under this plan was \$1.0 million and \$0.9 million as of December 31, 2015 and 2014, respectively.

#### 401(k) Savings Plan

Effective January 1, 2009, FIE and certain of the Farmers P&C Companies, participate in a 401(k) Savings Program sponsored by FGI. Contributions are made by eligible employees up to the yearly maximums allowable as defined by the Internal Revenue Service. FIE and certain Farmers Companies will match eligible employees’ contributions up to 6.0% of earned base pay. All eligible employees are 100% vested in the 401(k) Savings Plan. The Company’s share of expense under this plan was \$0.4 million and \$0.4 million as of December 31, 2015 and 2014, respectively.

Fire is a participant in the California Earthquake Authority (“CEA”) on behalf of the Farmers P&C Companies. The CEA was established by the California Legislature to provide earthquake insurance to the owners of residential property in the state of California. ##### 1. Fair Value Measurements by Levels 1, 2 and 3

The Company has categorized its assets that are measured at fair value into the three-level fair value hierarchy as reflected in the table below.

## NOTES TO FINANCIAL STATEMENTS

Level 1 - are liquid investments traded in active markets and valued based on unadjusted quoted prices. Assets in this category are preferred and common stock securities.

Level 2 - The securities that fall into this category are bonds, preferred stocks, common stocks and call options which are not exchange traded. These securities are valued based upon models with observable inputs - for example market interest rates, credit spreads etc. They may have been determined by independent pricing services using observable inputs.

Level 3 - are investments valued based upon models with "significant" non-observable inputs (assumptions). Such assumptions can be about loss severities, prepayment speed, interest rate volatilities, earnings forecast, comparables sales etc.

### 4. Inputs and Techniques Used for Level 2 and Level 3 Fair Values

## NOTES TO FINANCIAL STATEMENTS

Bonds and/or Common stocks carried at fair value categorized as Level 3 were valued using unobservable inputs. #### Auto Physical Damage Quota Share Agreement

Effective January 1, 2004, Farmers Reinsurance Company ("Farmers Re") assumes annually \$200.0 million and Zurich Insurance Company ("Zurich") assumes \$800.0 million of gross written premiums under an Auto Physical Damage ("APD") Quota Share reinsurance agreement with the Farmers P&C Companies. In addition, Farmers Re and Zurich assume a quota share percentage of ultimate net losses sustained by the Farmers P&C Companies in their APD lines of business. The agreement, which can be terminated after 30 days' notice by any of the parties, also provides for the Farmers P&C Companies to receive a ceding commission of 18.0% of premiums, with additional experience commissions that depend on loss experience. This experience commission arrangement limits Farmers Re and Zurich's potential underwriting gain on the assumed business to 2.5% of premiums assumed. The APD agreement was initially entered into on April 1, 2001, which replaced a January 1, 1998 reinsurance agreement.

The following are the significant changes to the 2004 APD agreement:

Effective January 1, 2006, the Farmers P&C Companies modified the terms of the APD agreement with Farmers Re and Zurich. The new agreement provides for annual ceded premiums of \$1.0 billion of gross written premiums with

## NOTES TO FINANCIAL STATEMENTS

20.0% assumed by Farmers Re and 80.0% assumed by Zurich, a 25.8% ceding commission for acquisition expenses, and an 8.2% ceding commission for unallocated loss adjustment expense. The agreement also includes provisions for additional experience commissions that will depend on loss experience and recoveries below a specified ratio for each year. This experience commission arrangement limits Farmers Re and Zurich's potential underwriting gain on the assumed business to 2.0% of premiums assumed plus 20.0% of the underwriting gain resulting from a combined ratio under 98.0%. The APD agreement can be cancelled after 90 days notice by any of the parties.

Effective, January 1, 2012, the APD agreement was replaced with a new APD treaty with substantially the same terms as the prior agreement but with the ceding commission for acquisition expenses ranging between 27.1% and 29.1% and the ceding commission for unallocated loss adjustment expenses ranging between 8.0% and 10.0%, both based on a previous five-year average experience. In addition, the experience commission was eliminated.

Effective, January 1, 2013, the APD agreement was amended such that Farmers Re assumed 12.5% (\$125.0 million) of the ceded annual premiums while Zurich continues to assume \$800.0 million of the annual ceded premiums. The remaining \$75.0 million of the APD premiums is assumed by Swiss Reinsurance America Corporation ("Swiss Re") a third party reinsurer, on the same terms as Farmers Re and Zurich.

Effective, January 1, 2014, the APD agreement was amended such that Farmers Re assumed 10% (\$100.0 million) of the ceded annual premiums while Zurich continues to assume \$800.0 million of the annual ceded premiums. Swiss Re assumed the remaining \$100 million of the APD premiums as a result of the amended APD agreement.

Effective January 1, 2015, the APD agreement was amended such that Farmers Re, ZIC, and Swiss Reinsurance Company Ltd ("Swiss Zurich") assumed 7.14% (\$50.0 million), 64.29% (\$450.0 million), and 28.57% (\$200.0 million) of the total \$700.0 million ceded annual premiums, respectively.

The Company's share of ceded premiums was \$7.0 million and \$10.0 million for December 31, 2015 and 2014, respectively. Ceded incurred losses and loss adjustment expenses totaled \$5.1 million and \$7.2 million for the years ended December 31, 2015 and 2014, respectively. The Company's share of the total experience commission income was \$1.9 million and \$2.9 million for the years ended December 31, 2015 and 2014, respectively.

Loss recoveries are subjected to a maximum ratio. In addition, under this treaty the Farmers P&C Companies' catastrophe losses are subject to a maximum of \$800.0 million. The remaining 2.0 percent quota share is assumed by Swiss Re on the same terms as Farmers Re and Zurich. ### Texas Attorney General Premium Litigation

## NOTES TO FINANCIAL STATEMENTS

On August 5, 2002, the Texas Attorney General and Texas Department of Insurance (“TDI”) initiated a legal action against FIE, Fire and certain of their affiliates, which alleged certain improprieties in the pricing of a portion of their homeowners insurance policies written in the state of Texas. On December 18, 2002, the parties executed a Settlement Agreement, which, when approved by the court, will provide for certain rate reductions and refunds to Texas policyholders. No fines or penalties are included, and there is no admission of wrongdoing. The settlement also allows FIE and Fire, which had previously sent notices terminating all of their homeowner policies, to continue operating in the homeowner’s insurance market in Texas. The timetable for final court approval of the settlement is unclear. Certain additional parties intervened in the approval process, objecting to the settlement. The settlement did receive preliminary approval from the trial court, but the interveners sought and obtained a ruling from the Court of Appeals on January 21, 2005 that the settlement could not proceed as a class action settlement because the Attorney General did not have authority to settle the case in that manner. The Texas Supreme Court accepted review of this matter and held on April 27, 2007 that the Attorney General did have the necessary authority to settle the case as a class action. The matter was remanded to the Court of Appeals, which affirmed the certification of the settlement class and has remanded the matter to the trial court for final determination of the fairness of the settlement. The trial court has granted preliminary and final approval to the settlement. Management has established a reserve based on applicable accounting procedures.

### **Uninsured and Underinsured Election Forms**

Farmers Insurance Company of Arizona is a defendant in a putative class action filed in New Mexico. Plaintiffs allege that UM/UIM rejection and election forms used in New Mexico do not comply with New Mexico law. Plaintiffs seek unspecified damages, or otherwise seek to require defendant to reopen and readjust the claims of the plaintiff class members. A class was certified for settlement purposes only that included all Farmers-related entities writing in New Mexico; the settlement has received preliminary approval and will be on a claims-made basis. The court has granted preliminary and final approval that is currently on appeal. Management has established a provision based on applicable accounting procedures.

### **Personal Injury Protection Billing Case**

This is a putative Florida class action brought by medical providers. Plaintiffs allege that defendant 21<sup>st</sup> Century Security Insurance Company (formerly known as New Hampshire Indemnity Company) improperly took fee schedule reductions from personal injury protection billings without policy language authorizing same. Florida status allows use of a fee schedule to apply to medical provider bills. Plaintiff, however, alleges that use of the fee schedule is improper unless the policy specifically states that a fee schedule will be used. Management has established a reserve based on applicable accounting procedures.

### **Farmers Agency Force Deferred Compensation Plan**

FIE and certain of the Farmers P&C Companies have established a tax-deferred savings plan for their agents and district managers which allowed eligible participants to defer up to 50% of their auto new commissions into a deferred compensation program. To be eligible to participate in the plan, a full-time agent must have completed six months of service and qualifying participants are vested 100% on their accrued benefit at all times. This Plan is not subject to ERISA and is not intended to be a qualified plan.

The program is administered by TBG Financial, a third party administrator, and the maximum qualifying deferred amount allowed in any plan year per each participating Sponsor is \$5.0 million. Fund balances are monitored monthly and investment earnings in the deferred compensation liability account are credited (or debited) to the account balances. The investment earnings/(losses) in the deferred compensation liability account were (\$7,000) and \$29,000 at December 31, 2015 and 2014, respectively.

### **Business Owned Life Insurance**

In conjunction with the Farmers Agency Force Deferred Compensation Plan, FIE and certain of the Farmers P&C Companies purchased a Variable Group Life insurance policy for certain employees, with FIE named as beneficiary. The policy provides a life insurance benefit of \$50,000 at no cost to those qualifying officers and employees who voluntarily chose to become insured. There are no cash surrender values for the participating employees. The cash surrender value of the policy was reported as an asset on the balance sheet of FIE. At December 31, 2015, the investment earnings/(losses) and insurance expenses were (\$5,000) and \$5,000, respectively. At December 31, 2014, the investment earnings/(losses) and insurance expenses were \$23,000 and \$4,000, respectively.

There are no policyholders' funds allocated to the premiums of this group insurance policy.

## 24. RETROSPECTIVELY RATED CONTRACTS AND CONTRACTS SUBJECT TO REDETERMINATION

- A. Mid Century Insurance Company ("Mid Century"), one of the Farmers P&C Companies, has one workers' compensation policy with Farmers Group Inc. ("FGI"), which is subject to retrospective rating features. Mid Century estimates the accrued retrospective premium adjustment through the review of the individual retrospectively rated risk and by comparing case basis loss development with that anticipated in the policy contract to arrive at the best estimate of return or additional retrospective premium. The total accrued retrospective premiums receivable was recorded at \$1.6 million and \$2.4 million for the years ended December 31, 2015 and 2014, respectively. The Company's share of the accrued retrospective premiums receivable totaled \$16,000 and \$24,000 for the years ended December 31, 2015 and 2014, respectively. This policy was cancelled effective January 1, 2011 and in run-off.
- B. The Company records accrued retrospective premium as an adjustment to written premium.

## 25. CHANGE IN INCURRED LOSSES AND LOSS ADJUSTMENT EXPENSES

Reserves for incurred losses and loss adjustment expenses attributable to insured events of prior years have decreased by \$80 thousand as of December 31, 2015, as a result of re-estimation of unpaid losses and loss adjustment expenses principally on the homeowners, auto physical damage and commercial multiple peril lines of insurance. This was partially offset by an increase in private passenger auto and workers compensation lines of insurance. This decrease is generally the result of ongoing analysis of recent loss development trends. Original estimates are increased and decreased as additional information becomes known regarding individual claims.

## 26. INTERCOMPANY POOLING ARRANGEMENTS

The Company and certain of the Farmers P&C Companies participate in an intercompany reinsurance program (the "Intercompany Program"), with FIE as the lead company, pursuant to which each participant assumes a proportionate share of the Farmers P&C Companies' results from FIE based on their respective participation percentages (see table below). FIE is also a participant in various other reinsurance contracts with affiliates, which occur prior to the Intercompany Program.

First, FIE under 100% quota share reinsurance agreements assumes the business written, net of non-affiliated reinsurance, by all of the Farmers P&C Companies, excluding Farmers Re. Next, FIE under a quota share auto physical damage ("APD") reinsurance agreement cedes APD business to Farmers Re and Zurich (see note 21C). Subsequent to this, FIE cedes 20.0% of all lines of business to Farmers Re and Zurich under the All Lines agreement. Finally, FIE retrocedes the remaining business of the Farmers P&C Companies to the insurers participating in the Intercompany Program according to their respective participation percentages.
