## NOTES TO FINANCIAL STATEMENTS

These items are based on illustrations taken from the NAIC Annual Statement Instructions

### 1. Summary of Significant Accounting Policies and Going Concern

#### A. Accounting and Accounting Practices

Premier Health Insurance Corporation (the Company) is a "not for profit" organization for state tax purposes incorporated on January 30, 2014 under the provisions of chapter 1701 of the Ohio Revised Code. The Company is a taxable entity for federal income tax purposes. Its insurance license was granted by ODI on April 22, 2014. During 2014, the Company established its financial, technology and operational infrastructure and began marketing Medicare Advantage benefit plans to qualified individuals in Montgomery County, Ohio and its contiguous eight counties (Company's "service area").

The Company began covering health benefits under policies issued effective January 1, 2015 under contract with the Center for Medicare and Medicaid Services ("CMS"). As of the filing date of these footnotes, the Company served approximately 9300 Medicare Advantage members.

The Company is wholly-owned subsidiary of Premier Health Partners (Parent), a not-for-profit corporation, which was established to operate and jointly manage four health systems, Premier Health Group LLC (PHG), the Company and other affiliated healthcare related companies. PHG is a healthcare provider network organization established as a provider credentialing, utilization management, network contracting and risk bearing entity with affiliated and other unaffiliated health plan organizations. PHG provides network contracting, physician incentive programs and other health plan operations services to the Company and its subsidiary Premier Health Plan, Inc. (PHPLAN).

Effective January 1, 2014, Section 9010 of the Affordable care Act also requires health insurance issuers to pay an annual fee based on net written premiums. The Company is not subject to the annual fee as it does not meet the definition of a covered entity. The Company was incorporated as a nonprofit in the state of Ohio and receives greater than 80 percent of gross revenues from Medicare Advantage Plans.

The statutory financial statements of the Company are presented in accordance with accounting practices prescribed or permitted by the National Association of Insurance Commissioners (NAIC) and the Ohio Department of Insurance (ODI). ODI recognizes statutory accounting practices prescribed or permitted by the State of Ohio for determining and reporting the financial condition and results of operations of an insurance company, for determining its solvency under the Ohio Insurance Law. The Accounting Practices and Procedures Manual (NAIC SAP) was adopted as a component of prescribed or permitted practices by the state of Ohio.

At June 30, 2016, the reconciliation of the reported net income and total surplus determined under NAIC Statutory Accounting Principles and total surplus determined in accordance with practices permitted by Ohio insurance law is as follows:
