Note 1 – Summary of Significant Accounting Policies and Going Concern

A. Accounting Practices

The financial statements of Affinity Mutual Insurance Company are presented on the basis of accounting practices prescribed or permitted by the Ohio Department of Insurance. The Ohio Department of Insurance has adopted the National Association of Insurance Commissioner's (NAIC) Accounting Practices and Procedures Manual as the permitted practice for the filing of financial statements.

B. Use of Estimates in the Preparation of the Financial Statement

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimated.

C. Accounting Policy

Premiums are earned over the terms of the related insurance policies and reinsurance contracts. Unearned premium reserves are established to cover the unexpired portion of the premiums written. Such reserves are computed on a pro-rata basis.

Expenses incurred in the connection with acquiring new insurance business, including such acquisitions costs as sales commissions, are charged to operations as incurred.

Investments are stated at amortized cost or market value based on the NAIC Accounting Practice and Procedures Manual and the Purpose and Procedures Manual of the NAIC Securities Valuation Office.

Affinity Mutual Insurance Comany values Ohio Insurance Services, Inc. (non-insurance company subsidiary) using the equity method. The equity in Ohio Insurance Services, Inc. (\$926) is treated as a non-admitted asset. Since Ohio Insurance Services, Inc. is dormant, management is in discussions with the NAIC and the Ohio Department of Insurance to determine the correct required filings. As of December 31, 2016, the Sub-1 form has not been filed with the SVO.

Affinity Mutual Insurance Company does not anticipate investment income when evaluating the need for premium deficiency reserves.

Unpaid losses and loss adjustment expenses include an amount determined from individual case estimates and loss reports and an amount, based on past experience, for losses incurred but not reported. Such liabilities are necessarily based on assumptions and estimates and while management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting liability are continually reviewed and any adjustments are reflected in the period determined.

D. Going Concern

Based upon its evaluation of relevent conditions and events, management does not have substantial doubt about Affinity Mutual Insurance Company's ability to continue as a going concern.
