B. Use of Estimates in the Preparation of the Financial Statements: The preparation of financial statements in conformity with the accounting principles prescribed of permitted by the Insurance Department of the State of Ohio requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimated.

C. Accounting Policy

The financial statements are prepared using accounting principles prescribed or permitted by the Insurance Department of the State of Ohio. Plan obligations at March 31, 2018 for health claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the plan only if claims are submitted and approved for payment. The total health claims incurred but not yet reported as of March 31, 2018 were \$1,419,569.
