NOTES TO FINANCIAL STATEMENTS**Note 1 – Summary of Significant Accounting Policies and Going Concern****A. Accounting Practices**

The financial statements of RiverLink Health (RLH or the Company) are presented on the basis of accounting practices prescribed or permitted by the Ohio Department of Insurance.

The Ohio Department of Insurance recognizes only statutory accounting practices prescribed or permitted by the state of Ohio for determining and reporting the financial condition and results of operations of an insurance company, for determining its solvency under the Ohio insurance law. The National Association of Insurance Commissioners (“NAIC”) *Accounting Practices and Procedures Manual* (“NAIC SAP”) has been adopted as a component of prescribed or permitted practices by the state of Ohio.

The state has adopted certain prescribed accounting practices that differ from those found in NAIC SAP. Specifically,

Citation adopting the Manual: Administrative Rule 3901-3-18(E)		
SSAP or Appendices	State Law or Regulation	Description
A-001	§§ 3907.14 TO 3907.141 (Life); §§ 3925.05 to 3925.09; § 3925.20 (Non-Life)	Provides limitations on investments that are outside the scope of the Manual.

Such prescribed accounting practices have no significant effect on the Company’s statutory-basis financial statements for the periods presented.

A reconciliation of the Company’s net income and capital and surplus between NAIC SAP and practices prescribed and permitted by the Ohio Department of Insurance is show below:

B. Use of Estimates in the Preparation of the Financial Statements:

The Preparation of financial statements in conformity with NAIC SAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the periods. Actual results could result in material differences from those estimates.

C. Accounting Policy

Revenue Recognition: The Company provides health benefits to Medicare-eligible members under contract with the Centers for Medicare and Medicaid Services (CMS). Premium revenue is fixed in advance of the periods covered and is not generally subject to significant accounting estimates.

Recognition of Health Care Costs: The Company arranges for medical care for its members through a combination of capitation agreements and fee-for-service programs with medical services providers. Medical and hospital expenses are recorded in the period the member receives or is entitled to the services. These expenses include payments to primary care physicians, specialists, hospitals, pharmacies and other medical services providers. Under capitation agreements, the Company pays a fixed amount per-member, per-month to providers for specified services (limited capitation) or for all services with limited exceptions (global capitation). Under limited capitation agreements and fee-for-service arrangements, the Company remains financially responsible for medical care provided to its members at discounted rates. Under global capitation agreements, the Company may retain financial responsibility for limited care, such as emergency or urgent out-of-area care, while the capitated provider group is responsible for all other care.

In addition, the Company uses the following accounting policies:

NOTES TO FINANCIAL STATEMENTS

- (1) Cash and cash equivalents consist primarily of highly liquid instruments which mature within three months from the date of purchase.
- (2) Short-term investments consist primarily of investments purchased with an original maturity of 91 days to one year and certain money-market mutual funds.
- (3) Bonds are stated at amortized cost using the interest method.
- (4) Investments in common stock: None
- (5) Investments in preferred stock: None

- (7) Investments in mortgage loans: None
- (8) Investments in subsidiaries, controlled or affiliated companies: None
- (9) Investments in joint ventures, partnerships and limited liability companies: None
- (10) Investments in derivatives: None
- (11) The Company assesses the profitability of its contracts for providing health care services to its members when current operating results or forecasts indicate probable future losses. The Company compares anticipated premiums and investment income to health care related costs, including estimated payments for providers, and costs of collecting premiums and processing claims. If the anticipated future costs exceed the premiums, a loss contract accrual is recognized.
- (12) Claims unpaid and claims adjustment expenses represent management's best estimate of the ultimate net cost of all reported and unreported claims incurred through the balance sheet date. These estimates are based on estimates of unreported claims using historical and statistical information as well as other environmental and operating factors. The estimates are subject to the effects of trends in claims severity and frequency, changes in the regulatory environment and economic conditions. Although considerable variability is inherent in such estimates, management believes that the liabilities for unpaid claims and related claims adjustment expenses are adequate. The methods for making such estimates and the resulting reserves are continually reviewed and updated as necessary as experience develops or new information becomes known with any adjustments included in current operations.
- (13) There was no change in the capitalization policy from prior periods.
- (14) The Company estimates amounts receivable for pharmacy rebates based on members' script counts reported by its contracted pharmacy benefits administrator. The Company follows SSAP 84 in determining the admissibility of pharmacy rebates receivable.
- (15) Premiums receivable greater than 90 days past due are non-admitted, with the exception of amounts due under government insurance plans, which may be admitted assets.
