**NOTE 12 – RETIREMENT PLANS, DEFERRED COMPENSATION, POSTEMPLOYMENT BENEFITS AND COMPENSATED ABSENCES AND OTHER POSTRETIREMENT PLANS (continued)**

The Company currently has deferred compensation plans for specified key employees and for Board members. Effective January 1, 2013, the Board of Directors made a determination to indefinitely suspend the grant of further units and appreciation in the equity of the Company.

The Equity Participation Plan for key employees is a discretionary plan that rewards key employees with long term service to the Company. The plan shares the appreciation of equity of the Company, through December 31, 2012, with certain employees. The employee's share of the compensation vests over a ten year period, and is payable upon normal retirement, which is usually age 65. In the event that an employee terminates employment, either voluntarily or non-voluntarily, before age 65, the employee shall not be entitled to any payments at the time of termination, and forfeits his/her right to any future benefits under the plan.

The Company has estimated the present value of this liability to be \$1,858,887 and \$1,858,887 at June 30, 2019 and December 31, 2018, respectively.

The Equity Participation Plan for the Directors is similar to the one for key employees, in terms of vesting, normal retirement age, and termination of directorship. The Company has a profit-sharing plan with a 401(k) feature. The plan covers all employees meeting minimum eligibility requirements. Profit-sharing contributions are determined by the Board of Directors and evaluated on a year by year basis. The Company may match up to 50% of the first 6% salary deferral elected by each employee. The Company's discretionary and matching contributions charged to operations for the periods ended June 30, 2019 and December 31, 2018, \$90,894 and \$175,749, respectively.
