Amended I-In conjunction with our annual audit a few issues were differences were discovered that led to the need to amend the 2021 annual statement. There was a change in the calculation of federal income tax expense that, in accordance with SSAP 101, created a change in total assets, net income and capital and surplus. Assets, liabilities and statement of revenue will all be refiled. There was also an adjustment of the classification of a receivable on the assets page that affected cash flow classification. Statement of cash flow is also being refiled. In relation to the change of tax expense, note #9 is recalculated and refiled.

There was also some missing information on investment interrogatories and supplemental compensation that will also have those scheduled refiled.

Amended II- Updated the stop loss reinsurance number in the the general interrogatory this also caused RBC to change.
