Notes to the Financial Statements

1. Summary of Significant Accounting Policies and Going Concern

A. Accounting Practices

The accompanying financial statements of battleface Insurance Company (Company) have been prepared on the basis of accounting practices prescribed or permitted by the Ohio Insurance Department (Department).

The Department recognizes Statutory Accounting practices prescribed or permitted by the State of Ohio for determining and reporting the financial condition and results of the operation of the insurance company, for determining its solvency under the Ohio Law. The Department has adopted the National Association of Insurance Commissioners’ (NAIC) Accounting Practices and Procedures Manual as its statutory accounting principle (SAP) basis. Prescribed accounting practices are those practices which are incorporated directly or by reference to state laws, regulations and general administrative rules applicable to all insurance enterprises domiciled in a particular state. Permitted accounting practices include deviation from NAIC SAP and state prescribed accounting practices specifically requested by an insurer and granted by the Insurance Department.

The Department has approved no permitted practices for the Company that differ from NAIC SAP or state prescribed accounting practices. A reconciliation of the Company's net income and capital surplus between NAIC SAP and practices prescribed and permitted by the Department are shown below:

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of the financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.
