NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies

The footnotes to the 2022 annual statement should be read in conjunction with these quarterly statements. Only items of significance or that are substantially different from the annual statement are included in the quarterly statement notes to financial statements.

Sidecar Health Insurance Company (“The Company”) is dedicated to providing simple and transparent insurance options based on cash prices including launching a new Affordable Care Act (ACA) product line, starting with plans available in Ohio for Plan Year 2022. This new product meets all ACA requirements. Sidecar Health is a licensed insurer domiciled in Ohio. In the third quarter of 2022, the Company began writing in the large employer group line in addition to the individual market line.

1A. Accounting Practices

The Company prepares its statutory financial statements in conformity with accounting practices prescribed by the State of Ohio. The State of Ohio requires that insurance entities domiciled in Ohio prepare their statutory basis financial statements in accordance with the Statutory Accounting Principles as per the NAIC Accounting Practices and Procedures Manual (NAIC SAP).

1B. Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with the NAIC SAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

1C. Accounting Policies

Expenses incurred in connection with acquiring new business are charged to operations as incurred. The Company’s health plans use a non-network indemnity model to pay members an allowed amount (referred to as the Benefit Amount in policies and plan documents) for each procedure, device, or drug billed by a provider or pharmacy in connection with delivering covered services. Members pay providers at the point of service using either their own payment method or a Company-issued Visa card. Members submit proof of loss to the Company and, subject to cost sharing, the Company reimburses members the applicable allowed amount for the drug or service, regardless of billed charges. The Company fully funds charges made by members to the Sidecar Health Visa card for services not subject to cost sharing and for any services incurred after the member has met their out-of-pocket maximum. Until the member submits an itemized medical invoice for the Visa charge the Company treats this charge to the Sidecar Health Visa card as an account receivable. The Company had \$1,176,518 such Member Receivables at September 30, 2023 and \$137,546 at December 31, 2022. The Company writes the receivable off if a medical invoice is not submitted within 90 days of the charge to the Sidecar Health Visa card, and has written off receivables accrued on charges made to Sidecar Health Visa cards of \$283,781 at September 30, 2023 and \$17,356 as of December 31, 2022.

The Company’s health plans use a non-network indemnity model to pay members an allowed amount for each procedure, device, or drug billed by a provider or pharmacy in connection with delivering covered services. As the Company does not have any contracts with providers, all medical expenses are reported as outside referrals, other than expenses for emergency room services or prescription drugs, which are reported on their respective lines.

As of September 30, 2023 the Company has reported a \$568,767 reserve for estimated risk adjustment charges for the state market pool related to off-exchange individual market lives in Ohio, all of which relate to the 2023 plan year.

The Company pays claims by crediting the applicable Benefit Amount for covered services to the member’s Sidecar Health account. The balance in this account can be withdrawn by the member and received in the form of a check payment from the Company’s claims account or the member can elect to apply their balance against outstanding premium or claims balances due to Sidecar Health. Sidecar Health account balances are reflected as amounts retained for the account of others on the Company’s balance sheet.

Ceded Loss Reserves	\$0

The Company maintains four reinsurance agreements as of the reporting date. An agreement covering the individual policies runs from January 1, 2023 through December 31, 2023. For group policy reinsurance, one agreement provides coverage for groups with start dates between May 1, 2022 and April 30, 2023 through the end of the groups' contract term, not to exceed one year. Both of these reinsurance agreements cover losses in excess of \$100,000 per covered member. The third reinsurance agreement covers group policies insured under the original group reinsurance agreement and limits coverage to claims incurred after January 1, 2023. This policy provides coverage concurrently with the previously enacted group coverage policy and allows for the reimbursement of claims that are aggregately in excess of \$750,000. A fourth policy became effective May 1, 2023 for groups with start dates between May 1, 2023 and April 30, 2023. Coverage is effective through the end of the groups' contract term, not to exceed one year. This reinsurance agreement provides unlimited coverage for losses in excess of \$200,000 per covered member. For each policy, the Company is required to pay a deposit reinsurance premium based on a specific rate times the number of covered lives each month. Related reinsurance premiums payable have been accrued in the amount of \$643,546 at September 30, 2023.

All contracts of reinsurance are with unaffiliated US reinsurers. There are no reinsurance agreements in effect under which the reinsurer may unilaterally cancel any reinsurance for reasons other than for nonpayment of premium or other similar credit. There are no commuted or uncollectible losses. No reinsurers have been downgraded or whose status has been revoked.

Note 24 - Retrospectively Rated Contracts & Contracts Subject to Redetermination – No significant change.

- A-D. There are no Retrospectively Rated Contracts or medical loss rebate receivables.

NOTES TO FINANCIAL STATEMENTS

E. Risk-Sharing Provisions of the Affordable Care Act (ACA) – Starting January 1, 2022, the Company wrote premiums subject to the Affordable Care Act risk-sharing provisions. At September 30, 2023 \$771,591 is included in revenue as a negative adjustment to premium, of which \$202,824 represents an adjustment to the 2022 benefit year and \$568,767 reflects the estimated risk adjustment payable for the portion of the 2023 benefit year that has expired.

Note 25 - Change in Incurred Claims and Claim Adjustment Expenses - There are no changes to reserves for incurred losses and loss adjustment expenses attributable to prior year insured events at September 30, 2023.

Note 26 - Intercompany Pooling Arrangements - None.

Note 27A-B - Structured Settlements - None.

Note 28A-B - Health Care Receivables – The company has neither pharmaceutical rebate receivables nor risk sharing receivables. The Company has “other healthcare receivables” resulting from Members’ use of the Company-issued Visa card. As noted above, the Company fully funds charges made by members to the Sidecar Health Visa card for services not subject to cost sharing and for any services incurred after the member has met their out-of-pocket maximum. Until the member submits an itemized medical invoice for the Visa charge the Company treats such charges to the Sidecar Health Visa card as an account receivable. The Company adjudicates the claim when the member submits an itemized invoice. If the Company determines the charge was paid towards a covered service, the Company debits claims expense for the Benefit Amount of the covered services and credits the Benefit Amount towards the account receivable accrued when the member used their Sidecar Health Visa card. If the Benefit Amount exceeds this account receivable the excess benefit is credited to accounts payable and retained by the Company on behalf of the member (see note 1C, above). If the Benefit Amount is less than the account receivable the Company invoices the member for the balance and treats the balance as a healthcare receivable. In accordance with SSAP No. 84—Health Care and Government Insured Plan Receivables, the Company books these healthcare receivables as “other healthcare receivables” and treats them as a nonadmitted asset. The Company considers these non-admitted healthcare receivables impaired if they are not collected within 90 days of the member’s use of their Company-issued Visa card. Such Impaired receivables are written off and charged to claims expense. The Company has a balance of \$144,153 outstanding as of September 30, 2023 compared to \$7,590 as of December 31, 2022.

Note 29 - Participating Policies - None.
