B. Use of Estimates in the Preparation of the Financial Statements

The preparation of this financial statement is in conformity with the *Annual Statement Instructions* and *Accounting Practices and Procedures Manual* and requires the use of management's estimates and the reported amounts of revenue and expenses during the period. Actual Results could differ from the estimates.

C. Accounting Policy

Premiums are earned over the terms of the related insurance policies. Unearned premium reserves are established to cover the unexpired portion of premiums written should the need arise. Such reserves are computed by pro rata methods for direct business.

All expenses incurred in connection with acquiring new insurance business, included such acquisition costs as sales commissions, are charged to operations as incurred.

- (1) Short term investments are reported at amortized costs
- (2) All bonds are reported at amortized value using the interest method.
SVO Identified Investments are reported at Fair Market Value based upon the market price as reported by our broker/dealer Vanguard at the close of business at the end of the reported period.
- (3) Common Stocks are reported at market based upon the market price as reported by our broker/dealer Vanguard at the close of business at the end of the reported period.
